ADA COMPLIANCE 365

for Transit Managers & Supervisors

Understanding ADA requirements is not the same as developing and implementing an effective agency-wide ADA Compliance program.

Let Jess Segovia, ADA Guru, teach you how to be your agency's ADA Compliance Expert!

TOPICS INCLUDE

Effectively maintaining accessibility features

Developing / enhancing ADA policies & procedures

Driver training content and delivery best practices

ADA Compliance oversight efforts, including ADA violation investigations, incident documentation, etc.

Rider Education programs, including rider's guides, website content, etc.

Jess Segovia
ADA Guru
